Transsec 2 (RF) Limited

Limited assurance engagement in accordance with the requirements of the securitisation exemption notice

This limited assurance report is intended only for the specific purpose of assessing compliance of the proposed securitisation scheme with the Notice as required by Paragraph 15(1)(a) and 16(2)(a)(vii) of the said Notice.

Directors' responsibility

The directors, and where appropriate, those charged with governance are responsible for the conduct of the proposed securitisation scheme as set out in the Programme Memorandum, in accordance with the relevant provisions of the Notice.

Auditor's responsibility

Our responsibility is to express our limited assurance conclusion to the Issuer's directors on the compliance of the conduct of the proposed securitisation scheme, as set out in the Programme Memorandum, with the relevant provisions of the Notice.

We conducted our limited assurance engagement in accordance with the International Standard on Assurance Engagements (ISAE) 3000, *Assurance Engagements Other Than Audits or Reviews of Historic Financial Information*. That standard requires us to comply with ethical requirements and to plan and perform our limited assurance engagement to obtain sufficient appropriate evidence on which to base our limited assurance conclusion.

We do not accept any responsibility for any reports previously given by us on any financial information used in relation to the Programme Memorandum beyond that owed to those to whom those reports were addressed by us at the dates of their issue.

Summary of work performed

We have performed our procedures on the conduct of the proposed securitisation scheme as documented in the Programme Memorandum prepared by the Issuer.

Our procedures were determined having taken into account the specific considerations included in the relevant provisions of the Notice.

Our evaluation included performing such procedures as we considered necessary which included:

- Review of the Programme Memorandum.
- Review of other transaction documentation that we considered necessary in arriving at and expressing our conclusion.

Our limited assurance engagement does not constitute an audit or review of any of the underlying information conducted in accordance with International Standards on Auditing or International Standards on Review Engagements and accordingly, we do not express an audit opinion or review conclusion.

We believe that our evidence obtained is sufficient and appropriate to provide a basis for our limited assurance conclusion.

In a limited assurance engagement, the evidence gathering procedures are more limited than for a reasonable assurance engagement and therefore less assurance is obtained than in a reasonable assurance engagement. Accordingly, we do not express a reasonable assurance opinion about whether the conduct of the proposed securitisation scheme, as set out in the Programme Memorandum, will comply with the relevant provisions of the Notice in all material respects.

Transsec 2 (RF) Limited

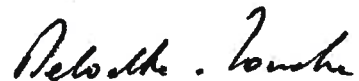

Limited assurance engagement in accordance with the requirements of the securitisation exemption notice

Conclusion

Based on our work described in this report, nothing has come to our attention which indicates that there shall not be compliance, in all material respects, with the relevant provisions of the Notice, with regard to the conduct of the proposed securitisation scheme.

Restriction on use and distribution

Our report is presented solely in compliance with the relevant provisions of the Notice for the purpose set out in the first paragraph of the report.
