Directors responsibility

The directors are responsible for:

- ensuring that the securitisation scheme is conducted in accordance with the Notice; and
- Designing, establishing, and maintaining internal controls to ensure that the proposed securitisation scheme is conducted in accordance with the Notice.

Auditor's responsibility

Our responsibility is to express our limited assurance conclusion to the Issuer's directors on the compliance of the conduct of the proposed securitisation scheme, as set out in the Programme Memorandum, with the relevant provisions of the Notice.

We conducted our limited assurance engagement in accordance with the International Standard on Assurance Engagements (ISAE) 3000, *Assurance Engagements Other Than Audits or Reviews of Historic Financial Information*. That standard requires us to comply with ethical requirements and to plan and perform our limited assurance engagement to obtain sufficient appropriate evidence on which to base our limited assurance conclusion.

Summary of work performed

We have performed our procedures on the conduct of the proposed securitisation scheme as documented in the Programme Memorandum prepared by the Issuer.

Our procedures were determined having taken into account the specific considerations included in the relevant provisions of the Notice.

Our evaluation included performing such procedures as we considered necessary which included:

- Review of the Programme Memorandum.
- Review of other transaction documentation that we considered necessary in arriving at and expressing our conclusion. The transaction documents that were reviewed include the following:
 - Liquidity facility agreement; and
 - Servicing agreement.

Our limited assurance engagement does not constitute an audit or review of any of the underlying information conducted in accordance with International Standards on Auditing or International Standards on Review Engagements and accordingly, we do not express an audit opinion or review conclusion.

We believe that our evidence obtained is sufficient and appropriate to provide a basis for our limited assurance conclusion.

In a limited assurance engagement, the evidence gathering procedures are more limited than for a reasonable assurance engagement and therefore less assurance is obtained than in a reasonable assurance engagement. Accordingly, we do not express a reasonable assurance opinion about whether the conduct of the proposed securitisation scheme, as set out in the Programme Memorandum, will comply with the relevant provisions of the Notice in all material respects.

Conclusion

Based on the procedures performed and the evidence obtained, nothing has come to our attention that causes us to believe that the proposed conduct of the Transsec 5 (RF) Limited Securitisation Scheme, as set out in the Programme Memorandum is not, in all material respects, in accordance with the Notice.

Restriction on use and distribution

Our report is made solely to addressees, for the purpose of assessing the conduct of the proposed Securitisation Scheme by the Issuer with the Notice.
